WEATHER REPORT Record at the local office of the weath-

er bureau for the 24 hours ending at a. m. today. Barometer reading at 6 a. m., 25.23 inches; temperature at 6 a. m., 71 de-gress; maximum, 83; minimum, 65; mean, 74, which is normal.

Deficiency of daily mean tempera-ture since the first of the month, 3 de-

Excess of daily mean temperature since January 1, 184 degrees.

Accumulated deficiency in precipitation since Jan. 1, 1.92 inch. FORECASTS TILL 6 P. M. THURS. DAY.

Local forecast for Salt Lake City and vicinity: Showers tonight and Thursday; much oler tonight. Southerly, changing to high northwesterly winds. For Utah: Forecast made at Denver,

Colorado. Showers and much cooler this afternoon and tonight; Thursday fair, WEATHER CONDITIONS.

The storm has remained central over Utah, developed in energy and now covers nearly all of the country west of the Mississippi river. Pressure is ris-ing slowly along the California coast. Rain has fallen over Washington, Ore-gon, Nevada, Idaho, western Montana, Colorado, the lower Missouri and upper Mississippi valleys. Snow was falling at Winnemucca this morning where the minimum temperature was 3 degrees. It is cooler over Idaho and Nevada; and warmer over western Colorado and the Missouri valley. The prevailing southerly winds will change to high northwesterly winds this after-noon or tonight and bring a decided fall in temperature. L. H. MURDOCH,

Section Director. TODAY'S TEMPERATURE.

Deputy County Attorney Loofbourow and wife returned from a week's en-joyable outing on the divide between City Creek and Hardscrabble canyons, They were accompanied by Leon Loofbourow, brother of the deputy county attorney.

Dr. E. A. Tripp has returned home from an extended trip to California points and Honolulu. He reports the atter city to be in an exceedingly prosperous and happy condition, and the residents to be much satisfied under American jurisdiction.

Will S, Brown has just returned from the north, where for some time past he has been examining mining claims. The properties are located on the upper Bolse, but conditions were not favorable to successful negotiations hence his return empty-handed.

P. J. Moran has returned from a six weeks' trip to Yorkshire where he visited with als mother whom he had not seen since boyhood. He noted with satisfaction the invasion of England by American manufacturers, and gave special attention to the latest great bulldings in London and Paris.

The county attorney has received a number of complaints of late against parties south of the city who irrigate their fields and carelessly allow the water to flow on the public bighways. making them dangerous to travel and n some instances almost impassable The water gains such a depth that it sometimes reaches the bed of a wagon or buggy passing along the highway The road supervisors have been in structed by the beard of county com missioners to prosecute all such offenders and immediate action will be taken by the county attorney to abate the nuisance.

A WELL KNOWN ALBANY MAN

About eighteen months ago Mr. W. S. Manning, of Albany, N. Y., widely known in trade circles as the repre-sentative of the Albany Chemical Co., was suffering from a protracted attack olic, Cholera and Diarrhoea Remedy he says, "and obtained immediate relief. I cheerfully recommended this medicine to those similarly afflicted." Sold by all druggists.

NEW IRRIGATION LAW PASSED BY CONGRESS

from the sale and disposat of public lands in certain states and territo-es to the construction of irrigation works for the reclamation of arid lands.

Be, it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, that an moneys received from the sale and disposal of public lands in Arizona, California, Colorado, Idaho, Kansas, Montana, Nebraska, Nevada, New Mexico, North Dakota, Oklahoma, Oregon, South Dakota, Utah, Washington arc Wyoming, beginning with the fiscal year ending June 30, 1901, including the surplus of fees and commissions in excess of allowances to registers and receivers, and excepting the 5 per cen-tum of the proceeds of me sales of public lands in the above states set purposes, shall be, and the same are nereby, reserved, set aside, and approrlated as a special fund in the treasto be known as the "reclamation fund," to be used in the examination and survey for and the construction and maintenance of irrigation works for the storage, diversion, and development of waters for the reclamation of arid and semiarid lands in the said states and territories, and for the payment of all other expenditures provided for in this act; provided, That in case the receipts from the sale and disposal of public lands other than those realized from the sale and disposal of lands re-ferred to in this section are insufficient o meet the requirements for the support of agricultural colleges in the sev eral states and territories, under the act of August 13, 1890, entitled, "An act to apply a portion of the proceeds of the public lands to the more complete endowment and support of the colleges for the benefit of agriculture and the necharic arts, established under the provisions of an act of Congress ap-proved July 2, 1862," the deficiency, if any, in the sum necessary for the support of the said colleges shall be pro ided for from any moneys in the treasary not otherwise appropriated

Sec. 2. That the secretary of the in-terior is hereby authorized and directed to make examinations and surveys for, and to locate and construct, as herein provided, irrigation works for the storage, diversion, and development of waters, including artesian wells, and report to Congress at the beginning of each regular session as to the results ing estimates of cost of all contemplate ed works, the quantity and location of the lands which can be irrigated the from, and all facts relative to the practicability of each irrigation project; lso the cost of works in process of construction as well as of those which have

been completed. Sec. 3. That the secretary of the interior shall, before giving the public no-tice provided for in section four of this act, withdraw from public entry the lands required for any irrigation works contemplated under the provisions of this act, and shall restore to public en-try any of the lands withdrawn when, in his judgment, such lands are not required for the purposes of this act; and the secretary of the interior is hereby authorized, at or immediately prior to contemplated irrigation works, any contemplated irrigation works, to withdraw from entry, except under the homestead laws and public lands believed to be susceptible of irrigation from said works; provided, That all lands entered and entries made under the homstead laws within areas so withdrawn during such withdrawal shall be subject to all the provisions, limitaical, charges, terms, and condi-tions of this act; that said surveys

Mary's cathedral, has gone to Chica-go to take a teacher's normal course in tion, and upon the completion thereof, and of the necessary maps, plans, and stimates of cost, the secretary of the interior shall determine whether or not ble, and if determined to be impracticable and unadvisable he shall there-upon restors said lands to entry; that public lands which it is proposed to ir-rigate by means of any contemplated works shall be subject to entry only ander the provisions of the homestead laws in tracts of not less than 40 nor more than 160 acres, and shall be subject to the limitations, charges, terms, and conditions herein provided; provided. That the commutation provis-

apply to entries made under this cat. Sec. 4. That upon the determination by the secretary of the interior that any irrigation project is practicable, he may cause to be let contracts for the construction of the same, in such portions or sections as it may be practicable to construct and complete as parts of the whole project, providing the necessary funds for such portions or sections are available in the reclamtion fund, and thereupon ne shall give der such project, and limit of area per entry, which limit shall represent the acreage which, in the opinion of the secretary, may be reasonably required for the support of a family upon the lands in question; also of the charges which shall be made per acre upon the

An act appropriating the receipts charges shall be paid and the time when such payments shall commence. The said charges shall be determined with a view of returning to the re-lamation fund the estimated cost of onstruction of the project, and shall be pportioned equitably; provided, That in all construction work eight hours shall constitute a day's work, and no Mongolian labor shall be employed

> to be irigated by such works, shall, in addition to compliance with the omestead laws, reclaim at least one alf of the total irrigable area of his entry for agricultural purposes, and beered by his entry shall pay to the govsold for a tract exceeding 160 acres to any one landowner, and no such sale shall be made to any landowner unless he be an actual bona fide resident on such land, or occupant thereof residing in the reighborhood of said land, and no such right shall permanently attach until all payments therefor are made. The annual installments shall be paid to the receiver of the local land office of the district in which the land is situated, and a failure to make any two payments when due shall render the entry subject to cancellation, with the forfeiture of all rights under this ac reclamation fund. Registers and re-ceivers shall be allowed the usual commissions on all moneys paid for lands entered under this act.

directed to use the reclamation fund for the operation and all reservoirs and maintenance of rrigation works constructed under the provisions of this act: when the payments required by this act are made for the major portion of the lands irrigated from the waters of any of the works herein provided for, then the management and operation of such irrigation works shall pass to the owners of the lands irrigated thereby to be maintained at their expense under such form of organization and under such rules and regulations as may be acceptable to the secretary of the inerior; Provided, that the title to and the management and operation of the reservoirs and the works necessary for their protection and operation shall re-main in the government until otherwise

provided by Congress. Sec. 7. That where in carrying out the provisions of this act it be necessary to acquire any rights or property, the secretary of the interior is hereby authorized to acquire the same for the United States by purchase or by condemnation under judicial proand to pay from the reclamation fund the sums which may be needed for that purpose, and it shall be the duty of the attorney-general of the United States upon every application of the secretary of the interior, under this act, to cause proceedings to be commenced for condemnation within 30 days from the receipt of the application

at the department of justice.
Sec 8. That nothing in this act shall be construed as affecting or intended to affect or to in any way interfere with the laws of any state or territory relating to the control, appropriation use, or distribution of water used in ir rigation, or any vested right acquired thereunder, and the secretary of the interior, in carrying out the provisions of this act, shall proceed in conformity with such laws, and nothing herein shall in any way affect any right of any state or of the federal government or of any landowner, appropriator, or user of water in, to, or from any interstate stream or the waters thereof; Provided, that the right to the use of water acquired under the provisions of this act shall be appurtenant to the land irri gated, and beneficial use shall be basis, the measure, and the limit of the right.

ity aforesaid Sec. 10. That the secretary of the interior is hereby authorized to perform any and all acts and to make such rules and regulations as may be neces-sary and proper for the purpose of carrying the provisions of this act into full force and effect. Approved June 17, 1902.

ernment the charges apportioned against such tract, as provided in section four. No gight to the use of water for land in private ownership shall be as well as of any moneys already paid thereon. All moneys received from the above sources shall be paid into the

Sec. 6. That the secretary of the interior is hereby authorized and

be the duty of the secretary of the in-terior in carrying out the provisions of this act, so far as the same may be practicable and subject to the existence of feasible irrigation projects, to exarising from the sale of public lards within each state and territory hereinbefore named for the benefit of arid and semiarid lands within the limits of such state or territory: Provided, that the secretary may temporarily use such portion of said funds for the benefit o arid or semiarid lands in any particular state or territory hereinbefore as he may deem advisable, but when so the fund as soon as practicable to the end that ultimately, and in any event. within each ten-year period after the passage of this act, the expenditures for the benefit of the said states and ter ritories shall be equalized according to the proportions and subject to the litions as to practicability and feasibil-

ALL FOR A RIDE. Fake Hold:up Story Told to Sympathetic Street-Car Conductor.

name worked a cleven dodge on Charles Pratt, conductor on the Waterloo line last evening. As Pratt was making his last trip to the end of the line, the car was stopped by a young man who, breathlessly, got on. His clothes were covered with dust and he appeared ery nervous and excited about some hing. In response to inquiries he said that he had been taking a girl home from Calder's park when he was held up and robbed of \$13 and a gold watch He added that he hadn't a cent of money left, and wanted to know if he would be allowed to ride home free or the car. Permission was given, and the

young man got his ride.

But the alleged hold-ups has no been reported to the station, and Pratt has come to the conclusion that the young man beat the company to the extent of a large nickel.

Valuable Time Saved,

Slight injuries often disable a man and cause several days' loss of time and when blood poison develops, sometimes result in the loss of a hand or limb Chamberlain's Pain Balm is an anticeptic liniment. When applied to cuts bruises and burns it causes them to heal quickly and without maturation and prevents any danger of blood poi-son. For sale by all druggists.

Rock Island Route makes it possible. Leaves Denver 1 p. m. and Colorado Springs 1:20 p. m. daily. Dining cars for all meals, Midday Luncheon, 50 The Boss Worm Medicine.

H. P. Kumpe, Druggist, Leighton, Ala., writes: "One of my customers had a child, which was sick, and threw up all food, could retain nothing on its stomach. He bought one bottle of White's Cream Vermifuge, and it brought up 119 worms from the child. It's the boss worm medicine in the world." White's Cream Vermifuge is also the children's tonic. their digestion and assimilation of food strengthens their nervous system and restores them to the health, vigor and elasticity of spirits natural to childhood, 25c at Z. C. M. I. Drug Dept.

The golf shirt and belt, the only correct combination to with stand the heat. Extensive lines in both to show BROWN, TERRY & WOODRUFF CO., 166 Main St.
